Hi Julie and Pauline,

I have signed the contract. We are also working with our insurance company to submit what is needed and submitting it via Track4LA.

Should I mail you the hard copy of the signed contract?

Thank you!

Hi Everyone,

Attached is a copy of the revised agreement.

Thanks!

To All,

This is a bit of good news--you will notice that the new insurance form Monica Dove just attached has fewer requirements than the exhibit attached to the agreement. There is no longer a requirement for having professional liability or property insurance. However, insurance is still required for workers' compensation, general liability, and automobile liability.

Julie will send you the revised agreement with this less stringent insurance requirement early tomorrow. Thank you.

Thank you, Pauline.

Evidence of coverage for the proposed agreement (i.e. Broadway Streetscape Master Plan Dress Rehearsal) must

be per the attached Form Gen 146 – *Required Insurance and Minimum Limits*.

Thanks.

Monica, Attached is the proposed maintenance agreement for Broadway Dress Rehearsal that we are trying to execute. Dld you mean you want to see the existing agreement with the BID for their basic services?

Blair, If so, can you email the existing agreement (incl. scope of work) as requested in my previous email?

Hi Jessica,

The Dress Rehearsal Maintenance Agreement contains additions not included in the existing agreement. For clarity, can you please provide a copy of the Dress Rehearsal Maint. Agreement?

Thanks much.

Thanks, Jessica. That is true. Perhaps the only addition is the planter maintenance but that is not so far outside of our scope and should hold no more liability than maintaining garbage cans in the public right of way.

The specific nature of the dress rehearsal would not have been included because it didn't exist at the time insurance was purchased, but the activities being done - cleaning, graffiti removal, maintenance, etc are all exactly what the BID does on public areas already. Can you let me know who the risk management person is who reviewed this because it seems they are not clear on what's being done -- it's no different than what the BIDs already do.

Hi Everyone,

-
I just got off the phone with LADOT's Risk Manager, Monica Dove. In order for LADOT to consider Blair's proposal to waive the new insurance coverage for the proposed maintenance agreement, LADOT will need the following documents from the Historic Core BID for review:

-
1. Detailed scope of work under the existing agreement.

LADOT will see if the scope for both existing and proposed agreements are exactly the same in terms of the responsibilities, tasks, extent of the physical area of space to be cleaned, etc. Unfortunately, the existing agreement that I found online (attached in the earlier email) does not describe the scope.

-
2. Copy of the existing insurance policy describing the coverage for work under the existing agreement.

-
I will be sending out the final agreements for signatures this afternoon. I am concerned that assessing Blair's insurance question will take longer than what we have time for, if these documents are not readily available for the Risk Manager's review. Hence, I suggest we move forward on executing the agreements keeping the insurance requirement, and allow the Risk Manager to evaluate Blair's request thereafter.

The BID's indicated that they already carry liability insurance as part of an [existing agreement with the City. I think they are referring to an existing agreement \(e.g., C-123228\) \(attached\) for the "administration of the BID."](#) The question is whether or not the insurance they have under that agreement may be applied to the dress rehearsal maintenance agreement that we are trying to sign ASAP. Can you please let advise? **(Blair, Could you correct me or fill in any missing info to my question?)**
